

Use Freely. It's Safe!

Tyree's Antiseptic Powder

Is good for the whole family

All humanity is benefited by its refreshing, purifying, cleansing effect as a daily hygienic wash. Now, when every pore of the human body is emitting perspiration, TYREE'S ANTISEPTIC POWDER will allay the irritation and overcome the disagreeable odors. When insects are biting and stinging, and poison oak and ivy are working their mischief TYREE'S POWDER will immediately counteract their poisonous effects and thoroughly antiseptize the affected parts. Nothing is more comforting for aching and tired feet; and it is the best "first-aid" in all cases of summer complaint and bowel troubles.

TYREE'S ANTISEPTIC POWDER is the only effective antiseptic that is harmless to use. For more than a quarter of a century it has had the full indorsement of the medical profession—every member of which will tell you to use TYREE'S POWDER rather than run the risk of poisoning yourself with bichloride of mercury, carbolic acid, and the other dangerous agents—with their tell-tale odors and sneaky staining.

Ask your druggist for TYREE'S ANTISEPTIC POWDER if you want a healthy body and a SAFE preparation to keep it healthy.

A pinch makes a pint of solution. **25c 50c \$1.00** Write for Sample and Booklet—FREE. The 25c box makes 2 gallons.

SERVICE

Refrigerators

SAVE ICE by retaining drippings from ice in coils around food chamber until cold is absorbed—thus 95% of cold units utilized—whereas ordinary refrigerators only utilize 50%. In buying a refrigerator this means something to you. Prices, \$15.00 up.

Fireless Cookers

Are everywhere recognized as the "last word" in fireless cookery. Hot summer days are here. Let a Service Cooker help you to keep comfortable and conserve your health. They do the cooking while you rest. The Service has square chamber for baking, round chamber for boiling.

Refrigerators and Cookers Guaranteed—Terms to Suit

Traverse City Refrigerator Co., 914 G Street N.W.

HIKE STARTS TOMORROW AT CHEVY CHASE CIRCLE

Wanderlusters Expect to "Hit the Trail" at 2:30 O'Clock—Opposed to Tobacco Smoke.

DETAILS OF THE HIKE TOMORROW
 Rendezvous—Chevy Chase Circle. Time—2:30 p.m.
 Leader—Walter W. Paige, one of the "regulars."

Every one who likes to walk or who likes to "get back to nature" is invited to join the "hikers."

All is ready for the community hike of tomorrow afternoon!

Judging from the number that "hit the trail" last Sunday afternoon and Tuesday evening, when the "moonlight" hike was held, the leaders of the community hikes expect to see a large number of persons going on the outing.

The rendezvous is to be at Chevy Chase Circle tomorrow afternoon at 2:30 o'clock. Walter W. Paige, who has been one of the "regulars" since the community hikes were first started, is to be the leader. The route will cover territory in the vicinity of Chevy Chase, Bethesda and Bradley Hills.

Mr. Paige urges that on all of the walks the wanderlusters should be careful to follow the appointed leader. "On some of our walks," he said today, "a few fast walkers have gone ahead of the leader and gotten on the wrong path. Do not blame the leader for this. Mr. Paige suggests that such overzealous persons hold themselves in check tomorrow, inasmuch as many of the hikers are new to the right trail and become disappointed in the trip.

Interest in the trips continues to be shown by letters which are written to the various leaders and the "hikers" for the hikes is made by one who signs "A Delighted Hiker," as follows:

Walking Is Beneficial.
 "There is no more beneficial exercise than that of walking, and it is to be regretted that the electric car, the bicycle and the automobile have almost entirely supplanted pedestrianism. Thursday evening I had the privilege and pleasure of following the trail with the community 'hikers,' and although I have tramped the greater part of picturesque Rock Creek Park, as the result of the 'hike' I am now conversant with other portions of the park. The evening to me was one of continuous enjoyment, and the 'hikers' are men and women and boys and girls who are thoroughly congenial. There is a spirit of fellowship, yea, of democracy, that is delightful.

"But one thing marred the trip to me—dead fly in the ointment—too much tobacco smoke. The air was so pure, the fragrance of the woods so delightful, that I wished tobacco smoke could be eliminated. It was a constant reminder of the pleasures of the past, and to me it marred the delights of God's great outdoors. Not all women enjoy tobacco smoke, and if the 'hikers' will not smoke before starting and at the end of the hike, the only unpleasant feature will be eliminated. Here's the wish that the hundreds of others may join the movement, and after coming into closer touch with God, through His handiwork, go home to sleep the sleep of a little child, for poison eliminated and a quiet mind mean perfect sleep. Long may the hikes continue—minus tobacco smoke."

Why, Indeed?

From the Chicago Record-Herald.

"Colonel, what do you think of the Federal League?"

"I don't think much of it, sir. But why reopen sectional controversies at this time?"

"Nobility around here has assured me that this is the garden spot of the state."

From the Chicago Record-Herald.

"There's one thing, though," said the stranger, "that I can't understand."

"What's that?" asked the old settler.

"Nobility around here has assured me that this is the garden spot of the state."

ALEXANDRIA AFFAIRS

Enforcement of Order Against "Red Light" District.

INSTRUCTIONS TO POLICE

Additions Made to New Hospital Fund—Amount Realized From Emerson Property Sale.

Special Correspondence of The Star.
 ALEXANDRIA, Va., June 12.—This city's "red light" district will be a thing of the past after 12 o'clock tomorrow night, at which time the houses will be permanently closed after having been tolerated for nearly fifty years.

Chief Goods of the police department today had the officers notify the proprietors of the houses of this ultimatum. Of those to whom the order was communicated, announced their intention of complying, it is stated.

A few who own property, will, however, remain in their houses temporarily. A number of the woman occupants are already gone. It is expected there will be a general closing Monday. Some intend to return to their former homes, while others will be taken in charge by the Florence Crittenton Mission in Washington. That institution, it is understood, will provide them with employment.

Representatives of the organization were in Alexandria recently and announced that all of the red light dens which intend to lead different lives would be given refuge.

Orders for the closing of the segregated district of the city were issued by Judge L. C. Bailey of the corporation court April 29 last.

These orders will be strictly enforced by the police. Chief Goods stated today that he will have men stationed in the vicinity of the houses after the order of the court has been issued, and all violators of the law will be cited into court to answer the charge of operating a disorderly house. Imposition of heavy fines may be the result.

Hospital Fund Boosted.

Two cents a week collected for a period of one year from 320 subscribers of what is known as the Calendar Club netted the Alexandria Hospital building fund the sum of \$212.17. This amount was today turned over to the committee in charge of the collections by Miss Mary E. Smith and Mrs. S. C. Brown. Most of the money was collected from members of Robert Anderson Division, No. 317, Brotherhood of Locomotive Engineers.

Each week the sum named was collected from each subscriber of the club. The check was a source of gratification to the committee in charge, few, if any, realizing that from such a small sum so large a sum would be realized.

The total contributions turned in today amounted to \$36.17. Among those, in addition to the check from the Calendar Club, were: Loyal Order of Moose, \$25; Landon & Bro., Washington, D. C., \$20; Mount Vernon Hotel, Bronxville, N. Y., \$15; Mount Vernon Hotel, King's Daughters, Fairfax county, \$10; Mrs. C. G. Graham, \$10; May 1914, \$5; Mrs. L. H. Gibbs, \$5; Melvin and Julian Whitehouse, \$1.

The grand total up to noon today was \$35,629.94.

Company Incorporated.

The state corporation commission has granted a charter to the C. A. Campbell Construction Company, Incorporated, Alexandria, with a capital stock of \$5,000 to \$10,000. The object of the company is to do a contracting business. The officers are: C. A. Campbell, president, Potomac, Md., and A. D. Jacobson, secretary, Washington, D. C.

An amendment has been granted by the commission to the charter of the Potomac and Chesapeake Company, Alexandria, reducing its capital stock from \$500,000 to \$185,000.

Emerson Property Sale.

The Emerson Engine Company's property, which was sold at auction yesterday, as told in The Star, brought a total of \$27,200. The sale of this property was submitted to the circuit court for this city for ratification. At the close of the bidding yesterday afternoon one for all of the property and effects of the concern, amounting to \$18,000, was offered by R. Weaver, Washington.

Reality of the concern brought \$14,100, while the engines, machinery, motor boats and other effects brought \$14,000. Carroll Pierce and Leo P. Harlow are receivers for the company.

Club Presents "Tatters."

"Tatters," a western drama, presented at the opera house last night by the Washington Dramatic Club for the benefit of the Alexandria Hospital building fund, was witnessed by a large audience. Participants included the following: Irene B. Warren, William H. Winchell, R. E. B. Wakefield, Roderick Mallon, J. W. Wimer, Jr., Henry C. Smith, Jr., Morris, Anne Wood, Esther Kuhn, Roy S. Steele and Francis Ransom. Miss Dautch presided at the piano.

A. D. Brockert, chairman of the committee in charge of collecting funds for the new hospital, said that the fund alone along these lines and spoke of the need of a new hospital.

General Items.

The local committee of arrangements for the entertainment of the delegates who will attend the annual meeting of the Virginia Press Association, which will meet in this city June 22-23 next, held a meeting yesterday night at the office of Mayor Fisher for the purpose of completing plans. It is expected that more than 100 delegates will attend.

Funeral services for George W. Mann, who died at 4 o'clock yesterday afternoon at the Presbyterian Church at Falls Church, were held at 10 o'clock yesterday afternoon at Jackson Lodge of Masons, this city, attended and burial was with Masonic honors.

Rev. Dr. John Lee Allison, pastor of the Second Presbyterian Church, will take for his subject at the morning services at that church tomorrow "Loyalty to the Future." The evening services will be evangelistic.

CHURCH BOARD REORGANIZED.

President of Princeton Seminary Presides Over Presbyterian Missions.

NEW YORK, June 12.—The board of home missions of the Presbyterian Church, which handles more than \$1,500,000 annually, has been reorganized. Rev. Dr. J. Ross Stevenson, the new president of Princeton Theological Seminary, was elected president yesterday, succeeding Rev. Dr. B. Stuart Dodge. Rev. Dr. John Dixon and Joseph E. McFee were elected local co-ordinating secretaries. Rev. Dr. Charles L. Thompson, for years secretary, having resigned.

Rev. Dr. Baxter P. Fullerton of St. Louis was chosen to have charge of the extension work west of the Missouri and in the south and southwest.

Strange Neglect.

From the Chicago Record-Herald.

"There's one thing, though," said the stranger, "that I can't understand."

"What's that?" asked the old settler.

"Nobility around here has assured me that this is the garden spot of the state."

RECORD HEAT FOR JUNE THROUGHOUT THE SOUTH

Seven Cities Report Temperature of 100 or Over—But Little Rainfall.

ATLANTA, Ga., June 12.—Seven cities in the south have reported temperatures of 100 degrees or more. Reports from practically all sections showed high temperatures and a general continuance of drought conditions. Heat records for June have been broken in many places. The highest temperature reported was from Petersburg, Va., where a government thermometer registered 108 degrees, breaking all local records for the month. Rain fell there late yesterday, bringing relief. Greensboro, N. C., had a maximum temperature of 103; Norfolk, Va., and Montgomery, Ala., of 101, and Anderson, S. C., Richmond, Va., and Columbia, Ga., of 100.

Records Elsewhere.

Other temperatures reported included the following: Macon, Ga., 99; Columbia, S. C., 98.3; Lynchburg, Va., 98; Raleigh, N. C., 97.6; Birmingham, Ala., 96; Charlotte, N. C., 96.2; Danville, Va., 96; Chattanooga, Tenn., 97.2; Knoxville, Tenn., 99; Atlanta, Ga., 99; New Orleans, La., 91; Asheville, N. C., 90; Savannah, Ga., 90; Mobile, Ala., 89; Spartanburg, S. C., 89; Jacksonville, Fla., 89; Tampa, Fla., 89; and Wilmington, N. C., 88.

While local thunderstorms fell in various localities, the precipitation as a rule was not sufficient to give any lasting benefit to growing crops.

MAY BAN BRIGHT LIGHTS

Commissioners Consider Curb on Strong Auto Headlights on Streets of Capital.

Regulations prohibiting the use of blinding headlights on automobiles on any lighted street or avenue of the District of Columbia may be adopted by the Commissioners. A recommendation to this effect made by Corporation Counsel Syme is under consideration in connection with the revision of the District's traffic rules. While there is at present a prohibition against the use of reflectors on automobiles driven in the business sections, Mr. Syme believes that it should be made to affect every lighted thoroughfare.

He said today that the present regulation appeared to be more honored in the breach than in the observance and that he strongly favored drastic steps being taken to curb the use of blinding headlights. He would ask the Commissioners to issue the most stringent orders to the police to arrest all violators of the regulation pending consideration of the proposal to extend its scope.

It is expected that new traffic rules will be issued some time next week. The Commissioners are agreed as to the general changes to be made and the corporation counsel is now engaged in preparing them in legal form.

SOON WILL ACT ON SHARP.

Senate Soon Expected to Confirm Nomination as Ambassador.

The nomination of Representative William Graves Sharp of Ohio as ambassador to France, sent to the Senate yesterday by President Wilson, will be given

early consideration by the foreign relations committee, and his confirmation by the Senate is expected immediately.

Mr. Sharp, who is a democrat, will succeed Myron T. Herrick of Cleveland, former republican governor of Ohio. Mr. Sharp is fifty-five years old, a lawyer by profession and later a manufacturer. He is serving his third term.

Births Reported.

The following births have been reported to the health department during the past twenty-four hours:

SOON TO RESIDE IN PARIS.

MRS. WILLIAM G. SHARP. Wife of representative named as ambassador to France.

IN THE WORLD OF SOCIETY

VICE PRESIDENT AND WIFE GOING BACK TO FORMER HOME.

Here and There With Other Notes.

Notes.

The Vice President and Mrs. Marshall will leave here tonight for Indiana to remain three or four days. They will stop in Indianapolis before going to the residence of the Vice President.

The Vice President will deliver an address at Washburn College, his alma mater. Mrs. Marshall will make a brief visit to her parents, Mr. and Mrs. Kimsey, who have returned to their Indiana home from Arizona.

Mrs. Daniels, wife of the Secretary of the Navy, will return today from a short visit to Raleigh, N. C., and Mrs. Mary C. Daniels, mother of the Secretary, is also expected at Single Oak today. Her home is at Goldsboro, N. C., and she will make a visit here to her son and his family.

The Postmaster General and Mrs. Burleson expect their daughter, Mrs. Negley, and her two children to arrive from Texas next week, and to accompany the family circle wherever they select a summer home.

Dr. William M. Davidson, superintendent of schools, Pittsburgh, Pa., for nearly a quarter of a century, has returned to Pittsburgh after spending several days in the city. He is secretary of the Young Men's Christian Association of Pittsburgh.

Mr. and Mrs. William T. Whelan of 11th street yesterday announced the marriage of their daughter, Miss Vivian M. Whelan, to Mr. William T. Whelan of this city. The announcement came as a great surprise to the friends of the young couple, as the bride and groom had been eloped to Alexandria recently, where the marriage ceremony was performed.

Mr. and Mrs. Bresham will take a house on Florida avenue after their honeymoon trip.

Leut. Commander H. C. Dinger, U. S. N., has returned from New York, where he was the guest of Mr. and Mrs. Frank S. Sadler of East 77th street.

Miss Dorothy Dent, daughter of Mr. and Mrs. Alfred B. Dent of Capitol Hill, has gone for an extended trip through Pennsylvania, New Jersey, New York, and New
